PharmaClinix

PharmaClinix, the UK's premier skin care range for Asian and Arab skin has now made its debut in the UAE. The revolutionary skincare products in the PharmaClinix range are specially designed for Asian and Arab skin and are scientifically developed to solve the particular problems that people of Asian and Arabic origin face. PharmaClinix has seen success in over 5,000 pharmacies in the UK and

Europe, providing customers with the highest quality products and ingredients to give them flawless, smooth complexions.

Now launched in the UAE through Wincare Drug LLC, it is available in all the leading pharmacies. To find out more about the PharmaClinix range, visit www.pharmaclinix.com.
